

**April 25<sup>th</sup>, 2018**  
**Pajaro Compass Network Field Day**  
**Gabilan Ranch**

**Agenda**

Overall goals for the day:

1. Create a forum for lively discussion around ecological grazing, managing for a healthy watershed, soil goals, and the bottom line.
2. Share the Gabilan Ranch case study for collaboration among grazing managers and other partners that work towards these common goals.
