Pajaro Compass Network Meeting Goals

- Build connections between Network members
- Showcase the Compass document and website
- Invite Network members to sign up for projects
- What to expect from the Compass Network in 2016-2017

Pajaro Compass Network Goals

- Support the long-term health of the Pajaro River Watershed
- Deepen our ability, as natural resource stewards and partners, to collaborate on smarter projects
- Communicate to decision-makers, and to our community, about the many values of the Pajaro River Watershed
